Geert de Bekker is the Data Protection Officer of CWR Systems B.V.
He can be reached at info@tank-o3.nl

Personal data that we process

CWR Systems B.V. processes your personal data because you use our services and/or because you provide us these data yourself. You will find an overview of the personal data that we process below:

- First name and family name
- Address
- Telephone number
- Email address

Special and/or sensitive personal data that we process

Through our website and/or services, we do not intend to collect data about website visitors under the age of 16 unless they have permission from their parents or guardian. However, we cannot check whether a visitor is older than 16. We therefore advise parents to be involved in the online activities of their children, to prevent data from children being collected without parental consent. If you are convinced that we have collected personal information about a minor without permission, please contact us at info@tank-o3.nl and we will remove this information.

What purposes are personal data processed for and on what basis

CWR Systems B.V. processes your personal data for the following purposes:

- Handling your payment
- Sending our newsletter and/or advertising brochure
- Being able to call or email you –if needed- in order to be able to perform our services
- To deliver goods and services to you

Automated decision making

CWR Systems B.V. does not take decisions on matters that may have (significant) consequences for persons on the basis of automated processing. These are decisions that are taken by computer programs or systems, without involvement of a human being (such as an employee of CWR Systems B.V.). CWR Systems B.V. does not use computer programs or systems to this end.

Data retention period

CWR Systems B.V. does not store your personal data for longer than is strictly necessary to achieve the purposes for which your data are collected. With regard to personal data, we use a retention period of three years. This is in order to be able to contact each other in case of unforeseen problems.

Sharing of personal data with third parties

CWR Systems B.V. will solely provide your personal data to third parties if this is necessary for the implementation of our agreement with you or to comply with a legal obligation.

Cookies or similar techniques that we use

CWR Systems B.V. does not use any cookies or similar technologies.

Accessing, modifying or deleting data

You have the right to view, correct or delete your personal data. Besides, you have the right to withdraw your consent for data processing or to object to the processing of your personal data by CWR Systems B.V. You also have the right to data portability. That means that you can submit a request to us for transmittal of all your personal data –that we keep on file - to another organization mentioned by you. You can send a request to info@tank-o3.nl for access, correction, deletion, data transmittal, withdrawal of your consent or objection to processing of your personal data.

To ensure that the request for access has been done by you, we kindly ask you to send a copy of your proof of identity together with your request. Conceal your passport photo, MRZ (machine readable zone, the strip with numbers at the bottom of a passport), passport number and citizen service number (BSN) in this copy. This is to protect your privacy. We will respond to your request as quickly as possible, and in any case within four weeks.

CWR Systems B.V. would also like to point out that you have the possibility to file a complaint with the national data protection authority, the Netherlands Autoriteit Persoonsgegevens. For more information, use the following link:

<https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons>

How we protect personal data

CWR Systems B.V. takes the protection of your data seriously and takes appropriate measures to prevent abuse, loss, unauthorized access, unwanted disclosure and unauthorized changes of your personal data. If you feel that your data are not properly protected or there are indications of abuse, get in contact with our customer services or send an email to info@tank-o3.nl
